Join us this Summer For a Special Retreat Focusing on the Theme of Intention at The Lovely Jesuit Retreat Center of Los Altos. As Facilitated By Dan Jackson and Co-Facilitator Ann Manchester.

In a welcoming and safe environment, we will explore how intention in a sober lifestyle transforms sobriety from mere abstinence into a purposeful life. Through engaging and meaningful exercises, we'll see how it shifts individuals from habitual actions to conscious, value-aligned choices, fostering resilience, emotional stability, and long-term sobriety.
